GENERAL INFORMATION**General Information**

This Proxy Statement is furnished to the stockholders of IDT Corporation, a Delaware corporation (the "Company" or "IDT"), in connection with the solicitation by the Company's Board of Directors (the "Board of Directors") of proxies for use in voting at the Company's Annual Meeting of Stockholders (the "Annual Meeting"). The Annual Meeting will be held on Thursday, December 14, 2006 at 10:30 a.m., local time, at the Company's headquarters located at 520 Broad Street, Newark, New Jersey 07102. The shares of the Company's common stock, par value \$0.01 per share ("Common Stock"), Class A common stock, par value \$0.01 per share ("Class A Common Stock"), and Class B common stock, par value \$0.01 per share ("Class B Common Stock"), present at the Annual Meeting or represented by the proxies received by telephone, Internet or mail (properly marked, dated and executed) and not revoked will be voted at the Annual Meeting. This Proxy Statement is being mailed to the Company's stockholders starting on November 10, 2006.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is exercised by delivering to the Company (to the attention of Joyce J. Mason, Esq., Executive Vice President, General Counsel and Corporate Secretary) a written notice of revocation or by executing a later-dated proxy by telephone, Internet or mail, or by attending the Annual Meeting and voting in person.

Solicitation and Voting Procedures

This solicitation of proxies is being made by the Company. The solicitation is being conducted by mail and by e-mail, and the Company will bear all attendant costs. These costs will include the expense of preparing and mailing proxy materials for the Annual Meeting and any reimbursements paid to brokerage firms and others for their expenses incurred in forwarding the solicitation materials regarding the Annual Meeting to the beneficial owners of Common Stock, Class A Common Stock and Class B Common Stock. The Company may conduct further solicitations personally, by telephone or by facsimile through its officers, directors and employees, none of whom will receive additional compensation for assisting with the solicitation.

The close of business on Friday, October 20, 2006 has been fixed as the record date (the "Record Date") for determining the holders of shares of Common Stock, Class A Common Stock and Class B Common Stock entitled to notice of, and to vote at, the Annual Meeting. As of the close of business on the Record Date, the Company had 96,981,295 shares issued, of which 81,546,353, the outstanding shares, are entitled to vote at the Annual Meeting, consisting of 15,178,173 shares of Common Stock, 9,816,988 shares of Class A Common Stock and 56,551,192 shares of Class B Common Stock. The remaining 15,434,942 shares issued, consisting of 9,896,687 shares of Common Stock and 5,538,255 shares of Class B Common Stock, are beneficially owned by the Company, and are not entitled to vote or to be counted as present at the Annual Meeting for purposes of determining whether a quorum is present. The shares of stock owned by the Company will not be deemed to be outstanding for determining whether a majority of the votes cast, or the majority of the outstanding shares of a class, if required, have voted in favor of any proposal.

Stockholders are entitled to one vote for each share of Common Stock held by them, three votes for each share of Class A Common Stock held by them and one-tenth of one vote for each share of Class B Common Stock held by

them. The holders of Common Stock, Class A Common Stock and Class B Common Stock will vote as a single body on all matters presented to the stockholders, except that, with regard to the approval of Proposal No. 2, the holders of Class B Common Stock will vote as a single class and the holders of Common Stock and Class A Common Stock will vote together as a group.

PROPOSAL NO. 2

APPROVAL OF AN AMENDMENT TO THE COMPANY'S

RESTATED CERTIFICATE OF INCORPORATION

The Company's stockholders are being asked to approve an amendment to the Company's Restated Certificate of Incorporation, as amended, to increase the number of shares of Class B Common Stock authorized for issuance by 100,000,000 to 200,000,000.

The amendment to the Company's Restated Certificate of Incorporation is reflected in the preamble of Article Fourth of the Certificate and it is attached hereto as Exhibit A and incorporated herein by reference. The Board of Directors adopted the proposed amendment on September 27, 2006, subject to stockholder approval at the Annual Meeting.

The Board of Directors approved the amendment to the Restated Certificate of Incorporation and the authorization of additional shares of Class B Common Stock, and recommended the same to the stockholders, as it would provide the Company with the ability to pay a dividend in Class B Common Stock and to have available authorized but unissued shares of Class B Common Stock for whatever purpose, consistent with applicable law, the Company's Restated Certificate of Incorporation and the interests of the Company's stockholders, as determined by the Board of Directors. Although the Company has no present plans with respect to any of the following, such purposes could include making acquisitions, providing additional equity compensation to employees, officers, directors and others and capital raising. If declared by the Board of Directors, the dividend currently being considered would result in the issuance by the Company of one share of Class B Common Stock to the holder of every share of Common Stock, Class A Common Stock and Class B Common Stock that is issued and outstanding as of the record date for the dividend determined by the Board of Directors. The purpose of the dividend would be to improve the liquidity of the market for the Class B Common Stock by increasing the number of shares of Class B Common Stock that are outstanding and held by stockholders. Shares held by the Company would not be eligible to receive the dividend.

The dividend has not yet been declared and may never be declared. If there are a sufficient number of authorized (and not outstanding) shares of Class B Common Stock, the Board of Directors would have the authority to declare the dividend, set a record date therefor and pay the dividend at the time that it deems advantageous to the Company and its stockholders, or to refrain from ever declaring the dividend. The record date for determining stockholders entitled to receive the dividend would be set by the Board of Directors, would be on or after the date the dividend is approved by the Board of Directors and would be within the time period prior to the payments as is in accordance with the provision of the Delaware General Corporation Law.

If approved, declared and paid, the dividend would result in there being outstanding twice as many shares of capital stock of the Company as there were outstanding on the record date, with all the additional shares being shares of Class B Common Stock. We expect that all the additional shares of Class B Common Stock would be approved for listing and trading on the New York Stock Exchange (or other market on which the Class B Common Stock is then traded) and, other than those held by certain officers, directors and affiliates of the Company, freely tradable. This would have the following effect:

- The trading price for each of the Class B Common Stock and Common Stock will likely decrease, and the amount of such decrease will depend on the relative aggregate number of shares of Class B Common Stock, Common Stock and Class A Common Stock outstanding before and after the payment of the dividend, the pre-dividend stock price, market reaction to the dividend and other factors outside of the control of the Company;

- The number of shares of Class B Common Stock would exceed the number of shares of Common Stock by a significantly greater margin than at the present time;

Awards may be granted to executive officers, employees, directors and consultants of the Company or of any Subsidiary. In addition to any other awards granted to Non-Employee Directors hereunder, awards shall be granted to Non-Employee Directors pursuant to Section 14 of the Plan. In determining the persons to whom awards shall be granted and the number of shares to be covered by each award, the Committee shall take into account the duties of the respective persons, their present and potential contributions to the success of the Company and such other factors as the Committee shall deem relevant in connection with accomplishing the purposes of the Plan.

5. Stock.

(a) The maximum number of shares of Class B Common Stock reserved for the grant of awards under the Plan shall be 4,000,000, subject to adjustment as provided in Section 12 of the Plan. Such shares may, in whole or in part, be authorized but unissued shares or shares that shall have been or may be reacquired by the Company.

(b) If any outstanding award under the Plan should, for any reason expire, be canceled or be forfeited (other than in connection with the exercise of a Stock Appreciation Right or a Limited Right), without having been exercised in full, the shares of Class B Common Stock allocable to the unexercised, canceled or terminated portion of such award shall (unless the Plan shall have been terminated) become available for subsequent grants of awards under the Plan, unless otherwise determined by the Committee.

(c) In no event may a Grantee be granted during any calendar year Options to acquire more than an aggregate of 2,000,000 shares of Class B Common Stock and Common Stock or more than 2,000,000 shares of Restricted Stock or Deferred Stock Units, subject to adjustment as provided in Section 12 of the Plan.

6. Terms and Conditions of Options.

(a) **OPTION AGREEMENT.** Each Option granted pursuant to the Plan shall be evidenced by a written agreement between the Company and the Grantee (the "Option Agreement"), in such form and containing such terms and conditions as the Committee shall from time to time approve, which Option Agreement shall comply with and be subject to the following terms and conditions, unless otherwise specifically provided in such Option Agreement. For purposes of interpreting this Section 6, a director's service as a member of the Board or a consultant's service shall be deemed to be employment with the Company.

(b) **NUMBER OF SHARES.** Each Option Agreement shall state the number of shares of Class B Common Stock or Common Stock, as applicable, to which the Option relates.

(c) **TYPE OF OPTION.** Each Option Agreement shall specifically state that the Option constitutes an Incentive Stock Option or a Nonqualified Stock Option. In the absence of such designation, the Option will be deemed to be a Nonqualified Stock Option.

(d) **OPTION PRICE.** Each Option Agreement shall state the Option Price, which, in the case of an Incentive Stock Option, shall not be less than one hundred percent (100%) of the Fair Market Value of the shares of Class B Common Stock or Common Stock, as applicable, covered by the Option on the date of grant. The Option Price shall be subject to adjustment as provided in Section 12 of the Plan.

(e) **MEDIUM AND TIME OF PAYMENT.** The Option Price shall be paid in full, at the time of exercise, in cash or in shares of Class B Common Stock or Common Stock, as applicable, having a Fair Market Value equal to such Option Price or in a combination of cash and Class B Common Stock or Common Stock, as applicable, including a cashless exercise procedure through a broker-dealer; provided, however, that in the case of an Incentive Stock Option, the medium of payment shall be determined at the time of grant and set forth in the applicable Option Agreement.

(f) **TERM AND EXERCISABILITY OF OPTIONS.** Each Option Agreement shall provide the exercise schedule for the Option as determined by the Committee, provided, that, the Committee shall have the authority to accelerate the exercisability of any outstanding option at such time and under such circumstances as it, in its sole discretion, deems appropriate. The exercise period will be ten (10) years from the date of the grant of the option unless otherwise determined by the Committee; provided, however, that in the case of an Incentive Stock Option, such exercise period shall not exceed ten (10) years from the date of grant of such Option. The exercise period shall be subject to earlier termination as provided in Sections 6(g) and 6(h) of the Plan. An Option may be exercised, as to any or all full shares of Class B Common Stock or Common Stock, as applicable, as to which the Option has become exercisable, by written notice delivered in person or by mail to the Company's transfer agent or other administrator designated by the Company, specifying the number of shares of Class B Common Stock or Common Stock, as applicable, with respect to which the Option is being exercised.

(g) **TERMINATION.** Except as provided in this Section 6(g) and in Section 6(h) of the Plan, an Option may not be exercised unless the Grantee is then in the employ of or maintaining a director or consultant relationship with the Company or a Subsidiary thereof (or a company or a Parent or Subsidiary of such company issuing or assuming the Option in a transaction to which Section 424(a) of the Code applies), and unless the Grantee has remained in Continuous Service with the Company or any Subsidiary since the date of grant of the Option. In the event that the employment or consultant relationship of a Grantee shall terminate (other than by reason of death, Disability or Retirement), all Options of such Grantee that are exercisable at the time of Grantee's termination may, unless earlier terminated in accordance with their terms, be exercised within 180 days after the date of termination (or such different period as the Committee shall prescribe).

(h) **DEATH, DISABILITY OR RETIREMENT OF GRANTEE.** If a Grantee shall die while employed by, or maintaining a director or consultant relationship with, the Company or a Subsidiary thereof, or within thirty (30) days after the date of termination of such Grantee's employment, director or consultant relationship (or within such different period as the Committee may have provided pursuant to Section 6(g) of the Plan), or if the Grantee's employment, director or consultant relationship shall terminate by reason of Disability, all Options theretofore granted to such Grantee (to the extent otherwise exercisable) may, unless earlier terminated in accordance with their terms, be exercised by the Grantee or by the Grantee's estate or by a person who acquired the right to exercise such Options by bequest or inheritance or otherwise by result of death or Disability of the Grantee, at any time within 180 days after the death or Disability of the Grantee (or such different period as the Committee shall prescribe). In the event that an Option granted hereunder shall be exercised by the legal representatives of a deceased or former Grantee, written notice of such exercise shall be accompanied by a certified copy of letters testamentary or equivalent proof of the right of such legal representative to exercise such Option. In the event that the employment or consultant relationship of a Grantee shall terminate on account of such Grantee's Retirement, all Options of such Grantee that are exercisable at the time of such Retirement may, unless earlier terminated in accordance with their terms, be exercised at any time within one hundred eighty (180) days after the date of such Retirement (or such different period as the Committee shall prescribe).

(i) **OTHER PROVISIONS.** The Option Agreements evidencing awards under the Plan shall contain such other terms and conditions not inconsistent with the Plan as the Committee may determine.

7. Nonqualified Stock Options.

Options granted pursuant to this Section 7 are intended to constitute Nonqualified Stock Options and shall be subject only to the general terms and conditions specified in Section 6 of the Plan.

8. Incentive Stock Options.

Options granted pursuant to this Section 8 are intended to constitute Incentive Stock Options and shall be subject to the following special terms and conditions, in addition to the general terms and conditions specified in Section 6 of the Plan:

(a) **LIMITATION ON VALUE OF SHARES.** To the extent that the aggregate Fair Market Value of shares of Class B Common Stock or Common Stock, as applicable, subject to Options designated as Incentive Stock Options which become exercisable for the first time by a Grantee during any calendar year (under all plans of the Company or any Subsidiary) exceeds \$100,000, such excess Options, to the extent of the shares covered thereby in excess of the foregoing limitation, shall be treated as Nonqualified Stock Options. For this purpose, Incentive Stock Options shall be taken into account in the order in which they were granted, and the Fair Market Value of the shares of Class B Common Stock or Common Stock, as applicable, shall be determined as of the date that the Option with respect to such shares was granted.

(b) **TEN PERCENT STOCKHOLDER.** In the case of an Incentive Stock Option granted to a Ten Percent Stockholder, (i) the Option Price shall not be less than one hundred ten percent (110%) of the Fair Market Value of the shares of Class B Common Stock or Common Stock, as applicable, on the date of grant of such Incentive Stock Option, and (ii) the exercise period shall not exceed five (5) years from the date of grant of such Incentive Stock Option.

9. Stock Appreciation Rights.

The Committee shall have authority to grant a Stock Appreciation Right, either alone or in tandem with any Option. A Stock Appreciation Right granted in tandem with an Option shall, except as provided in this Section 9 or as may be determined by the Committee, be subject to the same terms and conditions as the related Option. Each Stock Appreciation Right granted pursuant to the Plan shall be evidenced by a written Agreement between the Company and the Grantee in such form as the Committee shall from time to time approve, which Agreement shall comply with and be subject to the following terms and conditions, unless otherwise specifically provided in such Agreement:

(a) **TIME OF GRANT.** A Stock Appreciation Right may be granted at such time or times as may be determined by the Committee.

(b) **PAYMENT.** A Stock Appreciation Right shall entitle the holder thereof, upon exercise of the Stock Appreciation Right or any portion thereof, to receive payment of an amount computed pursuant to Section 9(d) of the Plan.

(c) **EXERCISE.** A Stock Appreciation Right shall be exercisable at such time or times and only to the extent determined by the Committee, and will not be transferable. A Stock Appreciation Right granted in connection with an Incentive Stock Option shall be exercisable only if the Fair Market Value of a share of Class B Common Stock or Common Stock, as applicable, on the date of exercise exceeds the purchase price specified in the related Incentive Stock Option. Unless otherwise approved by the Committee, no Grantee shall be permitted to exercise any Stock Appreciation Right during the period beginning two weeks prior to the end of each of the Company's fiscal quarters and ending on the second business day following the day on which the Company releases to the public a summary of its fiscal results for such period.

(d) **AMOUNT PAYABLE.** Upon the exercise of a Stock Appreciation Right, the Optionee shall be entitled to receive an amount determined by multiplying (i) the excess of the Fair Market Value of a share of Class B Common Stock or Common Stock, as applicable, on the date of exercise of such Stock Appreciation Right over the exercise or other base price of the Stock Appreciation Right or, if applicable, the Option Price of the related Option, by (ii) the number of shares of Class B Common Stock or Common Stock, as applicable, as to which such Stock Appreciation Right is being exercised.

(e) **TREATMENT OF RELATED OPTIONS AND STOCK APPRECIATION RIGHTS UPON EXERCISE.** Upon

the exercise of a Stock Appreciation Right, the related Option, if any, shall be canceled

B-7

to the extent of the number of shares of Class B Common Stock or Common Stock, as applicable, as to which the Stock Appreciation Right is exercised. Upon the exercise or surrender of an option granted in connection with a Stock Appreciation Right, the Stock Appreciation Right shall be canceled to the extent of the number of shares of Class B Common Stock or Common Stock, as applicable, as to which the Option is exercised or surrendered.

(f) **METHOD OF EXERCISE.** Stock Appreciation Rights shall be exercised by a Grantee only by a written notice delivered to the Company in accordance with procedures specified by the Company from time to time. Such notice shall state the number of shares of Class B Common Stock or Common Stock, as applicable, with respect to which the Stock Appreciation Right is being exercised. A Grantee may also be required to deliver to the Company the underlying Agreement evidencing the Stock Appreciation Right being exercised and any related Option Agreement so that a notation of such exercise may be made thereon, and such Agreements shall then be returned to the Grantee.

(g) **FORM OF PAYMENT.** Payment of the amount determined under Section 9(d) of the Plan may be made solely in whole shares of Class B Common Stock or Common Stock, as applicable, in a number based upon their Fair Market Value on the date of exercise of the Stock Appreciation Right or, alternatively, at the sole discretion of the Committee, solely in cash, or in a combination of cash and shares of Class B Common Stock or Common Stock, as applicable, as the Committee deems advisable. If the Committee decides to make full payment in shares of Class B Common Stock or Common Stock, as applicable, and the amount payable results in a fractional share, payment for the fractional share will be made in cash.

10. Limited Stock Appreciation Rights.

The Committee shall have authority to grant a Limited Right, either alone or in tandem with any Option. Each Limited Right granted pursuant to the Plan shall be evidenced by a written Agreement between the Company and the Grantee in such form as the Committee shall from time to time approve, which Agreement shall comply with and be subject to the following terms and conditions, unless otherwise specifically provided in such Agreement:

(a) **TIME OF GRANT.** A Limited Right may be granted at such time or times as may be determined by the Committee.

(b) **EXERCISE.** A Limited Right may be exercised only (i) during the ninety-day period following the occurrence of a Change in Control or (ii) immediately prior to the effective date of a Corporate Transaction. A Limited Right shall be exercisable at such time or times and only to the extent determined by the Committee, and will not be transferable except to the extent any related Option is transferable or as otherwise determined by the Committee. A Limited Right granted in connection with an Incentive Stock Option shall be exercisable only if the Fair Market Value of a share of Class B Common Stock or Common Stock, as applicable, on the date of exercise exceeds the purchase price specified in the related Incentive Stock Option.

(c) **AMOUNT PAYABLE.** Upon the exercise of a Limited Right, the Grantee thereof shall receive in cash whichever of the following amounts is applicable:

(i) in the case of the realization of Limited Rights by reason of an acquisition of common stock described in clause (i) of the definition of "Change in Control" (Section 2(c) above), an amount equal to the Acquisition Spread as defined in Section 10(d)(ii) below; or

(ii) in the case of the realization of Limited Rights by reason of stockholder approval of an agreement or plan described in clause (i) of the definition of "Corporate Transaction" (Section 2(j) above), an amount equal to the Merger Spread as defined in Section 10(d)(iv) below; or

(iii) in the case of the realization of Limited Rights by reason of the change in composition of the Board described in clause (ii) of the definition of "Change in Control" or stockholder approval of a plan or agreement described in clause (ii) of the definition of Corporate Transaction, an amount equal to the Spread as defined in Section 10(d)(v) below.

Notwithstanding the foregoing provisions of this Section 10(c) (or unless otherwise approved by the Committee), in the case of a Limited Right granted in respect of an Incentive Stock Option, the Grantee may not receive an amount in excess of the maximum amount that will enable such option to continue to qualify under the Code as an Incentive Stock Option.

(d) DETERMINATION OF AMOUNTS PAYABLE. The amounts to be paid to a Grantee pursuant to Section 10 (c) shall be determined as follows:

(i) The term "Acquisition Price per Share" as used herein shall mean, with respect to the exercise of any Limited Right by reason of an acquisition of common stock described in clause (i) of the definition of Change in Control, the greatest of (A) the highest price per share shown on the Statement on Schedule 13D or amendment thereto filed by the holder of 25% or more of the voting power of the Company that gives rise to the exercise of such Limited Right, (B) the highest price paid in any tender or exchange offer which is in effect at any time during the ninety-day period ending on the date of exercise of the Limited Right, or (C) the highest Fair Market Value per share of common stock during the ninety day period ending on the date the Limited Right is exercised.

(ii) The term "Acquisition Spread" as used herein shall mean an amount equal to the product computed by multiplying (A) the excess of (1) the Acquisition Price per Share over (2) the exercise or other base price of the Limited Right or, if applicable, the Option Price per share of common stock at which the related Option is exercisable, by (B) the number of shares of common stock with respect to which such Limited Right is being exercised.

(iii) The term "Merger Price per Share" as used herein shall mean, with respect to the exercise of any Limited Right by reason of stockholder approval of an agreement described in clause (i) of the definition of Corporate Transaction, the greatest of (A) the fixed or formula price for the acquisition of shares of common stock specified in such agreement, if such fixed or formula price is determinable on the date on which such Limited Right is exercised, (B) the highest price paid in any tender or exchange offer which is in effect at any time during the ninety-day period ending on the date of exercise of the Limited Right, (C) the highest Fair Market Value per share of common stock during the ninety-day period ending on the date on which such Limited Right is exercised.

(iv) The term "Merger Spread" as used herein shall mean an amount equal to the product computed by multiplying (A) the excess of (1) the Merger Price per Share over (2) the exercise or other base price of the Limited Right or, if applicable, the Option Price per share of common stock at which the related Option is exercisable, by (B) the number of shares of common stock with respect to which such Limited Right is being exercised.

(v) The term "Spread" as used herein shall mean, with respect to the exercise of any Limited Right by reason of a change in the composition of the Board described in clause (ii) of the definition of Change in Control or stockholder approval of a plan or agreement described in clause (ii) of the definition of Corporate Transaction, an amount equal to the product computed by multiplying (i) the excess of (A) the greater of (1) the highest price paid in any tender or exchange offer which is in effect at any time during the ninety-day period ending on the date of exercise of the Limited Right or (2) the highest Fair Market Value per share of common stock during the ninety day period ending on the date the Limited Right is exercised over (B) the exercise or other base price of the Limited Right or, if applicable, the Option Price per share of common stock at which the related Option is exercisable, by (ii) the number of shares of common stock with respect to which the Limited Right is being exercised.

(e) TREATMENT OF RELATED OPTIONS AND LIMITED RIGHTS UPON EXERCISE. Upon the exercise of a Limited Right, the related Option, if any, shall cease to be exercisable to the extent of the shares of Class B Common Stock or Common Stock, as applicable, with respect to which such Limited Right is exercised but shall be considered to have been exercised to that extent for purposes of determining the number of shares of Class B Common Stock or Common Stock, as applicable, available for the grant of future awards pursuant to this Plan. Upon the exercise or termination of a related Option, if any, the Limited

Right with respect to such related Option shall terminate to the extent of the shares of Class B Common Stock or Common Stock, as applicable, with respect to which the related Option was exercised or terminated.

(f) **METHOD OF EXERCISE.** To exercise a Limited Right, the Grantee shall (i) deliver written notice to the Company specifying the number of shares of Class B Common Stock or Common Stock, as applicable, with respect to which the Limited Right is being exercised, and (ii) if requested by the Committee, deliver to the Company the Agreement evidencing the Limited Rights being exercised and, if applicable, the Option Agreement evidencing the related Option; the Company shall endorse thereon a notation of such exercise and return such Agreements to the Grantee. The date of exercise of a Limited Right that is validly exercised shall be deemed to be the date on which there shall have been delivered the instruments referred to in the first sentence of this paragraph (f).

11. Restricted Stock.

The Committee may award shares of Restricted Stock to any eligible employee, director or consultant of the Company or of any Subsidiary. Each award of Restricted Stock under the Plan shall be evidenced by a written Agreement between the Company and the Grantee, in such form as the Committee shall from time to time approve, which Agreement shall comply with and be subject to the following terms and conditions, unless otherwise specifically provided in such Agreement:

(a) **NUMBER OF SHARES.** Each Agreement shall state the number of shares of Restricted Stock to be subject to an award.

(b) **RESTRICTIONS.** Shares of Restricted Stock may not be sold, assigned, transferred, pledged, hypothecated or otherwise disposed of, except by will or the laws of descent and distribution, for such period as the Committee shall determine from the date on which the award is granted (the "Restricted Period"). The Committee may also impose such additional or alternative restrictions and conditions on the shares as it deems appropriate including, but not limited to, the satisfaction of performance criteria. Such performance criteria may include sales, earnings before interest and taxes, return on investment, earnings per share, any combination of the foregoing or rate of growth of any of the foregoing, as determined by the Committee. The Company may, at its option, maintain issued shares in book entry form. Certificates, if any, for shares of stock issued pursuant to Restricted Stock awards shall bear an appropriate legend referring to such restrictions, and any attempt to dispose of any such shares of stock in contravention of such restrictions shall be null and void and without effect. During the Restricted Period, any such certificates shall be held in escrow by an escrow agent appointed by the Committee. In determining the Restricted Period of an award, the Committee may provide that the foregoing restrictions shall lapse with respect to specified percentages of the awarded shares on successive anniversaries of the date of such award.

(c) **FORFEITURE.** Subject to such exceptions as may be determined by the Committee, if the Grantee's Continuous Service with the Company or any Subsidiary shall terminate for any reason prior to the expiration of the Restricted Period of an award, any shares remaining subject to restrictions (after taking into account the provisions of Subsection (e) of this Section 11) shall thereupon be forfeited by the Grantee and transferred to, and retired by, the Company without cost to the Company or such Subsidiary, and such shares shall become available for subsequent grants of awards under the Plan, unless otherwise determined by the Committee.

(d) **OWNERSHIP.** During the Restricted Period, the Grantee shall possess all incidents of ownership of such shares, subject to Subsection (b) of this Section 11, including the right to receive dividends with respect to such shares and to vote such shares.

(e) **ACCELERATED LAPSE OF RESTRICTIONS.** Upon the occurrence of any of the events specified in Section 13 of the Plan (and subject to the conditions set forth therein), all restrictions then outstanding on any shares of Restricted Stock awarded under the Plan shall lapse as of the applicable date set forth in Section 13. The Committee shall have the authority (and the Agreement may so provide) to cancel all or any

portion of any outstanding restrictions prior to the expiration of the Restricted Period with respect to any or all of the shares of Restricted Stock awarded on such terms and conditions as the Committee shall deem appropriate.

11A. Deferred Stock Units.

The Committee may award Deferred Stock Units to any outside director, eligible employee or consultant of the Company or of any Subsidiary. Each award of Deferred Stock Units under the Plan shall be evidenced by a written Agreement between the Company and the Grantee, in such form as the Committee shall from time to time approve, which Agreement shall comply with and be subject to the following terms and conditions, unless otherwise specifically provided in such Agreement:

(a) **NUMBER OF SHARES.** Each Agreement for Deferred Stock Units shall state the number of shares of Class B Common Stock or Common Stock, as applicable, to be subject to an award.

(b) **RESTRICTIONS.** Deferred Stock Units may not be sold, assigned, transferred, pledged, hypothecated or otherwise disposed of, except by will or the laws of descent and distribution, until shares of Class B Common Stock or Common Stock, as applicable, are payable with respect to an award. The Committee may impose such vesting restrictions and conditions on the payment of shares as it deems appropriate including the satisfaction of performance criteria. Such performance criteria may include sales, earnings before interest and taxes, return on investment, earnings per share, any combination of the foregoing or rate of growth of any of the foregoing, as determined by the Committee.

(c) **FORFEITURE.** Subject to such exceptions as may be determined by the Committee, if the Grantee's Continuous Service with the Company or any Subsidiary shall terminate for any reason prior to the Grantee becoming fully vested in the award, then the Grantee's rights under any unvested Deferred Stock Units shall be forfeited without cost to the Company or such Subsidiary.

(d) **OWNERSHIP.** Until shares are delivered with respect to Deferred Stock Units, the Grantee shall not possess any incidents of ownership of such shares, including the right to receive dividends with respect to such shares and to vote such shares.

(e) **ACCELERATED LAPSE OF RESTRICTIONS.** Upon the occurrence of any of the events specified in Section 13 of the Plan (and subject to the conditions set forth therein), all restrictions then outstanding on any Deferred Stock Units awarded under the Plan shall lapse as of the applicable date set forth in Section 13. The Committee shall have the authority (and the Agreement may so provide) to cancel all or any portion of any outstanding restrictions prior to the expiration of any restricted period with respect to any or all of the shares of Deferred Stock Units awarded on such terms and conditions as the Committee shall deem appropriate.

12. Effect of Certain Changes.

(a) **ADJUSTMENTS UPON CHANGES IN CAPITALIZATION.** In the event of any extraordinary dividend, stock dividend, recapitalization, merger, consolidation, stock split, warrant or rights issuance, or combination or exchange of such shares, or other similar transactions, the Committee shall equitably adjust (i) the maximum number of Options or shares of Restricted Stock that may be awarded to a Grantee in any calendar year (as provided in Section 5 hereof), (ii) the number of shares of Class B Common Stock or Common Stock, as applicable, available for awards under the Plan, (iii) the number and/or kind of shares covered by outstanding awards and (iv) the price per share of Options or the applicable market value of Stock Appreciation Rights or Limited Rights, in each such case so as to reflect such event and preserve the value of such awards; provided, however, that any fractional shares resulting from such adjustment shall be eliminated.

(b) **CHANGE IN CLASS B COMMON STOCK OR COMMON STOCK.** In the event of a change in the Class B Common Stock or Common Stock as presently constituted that is limited to a change of all of its authorized shares of Class B Common Stock or Common Stock, as applicable, into the same number of

shares with a different par value or without par value, the shares resulting from any such change shall be deemed to be the Class B Common Stock or Common Stock, as applicable, within the meaning of the Plan.

13. Corporate Transaction; Change in Control; Related Entity Disposition.

(a) CORPORATE TRANSACTION. In the event of a Corporate Transaction, each award which is at the time outstanding under the Plan shall automatically become fully vested and exercisable and, in the case of an award of Restricted Stock or an award of Deferred Stock Units, shall be released from any restrictions on transfer (except with regard to the Insider Trading Policy and such other agreements between the Grantee and the Company) and repurchase or forfeiture rights, immediately prior to the specified effective date of such Corporate Transaction. Effective upon the consummation of the Corporate Transaction, all outstanding awards of Options, Stock Appreciation Rights and Limited Rights under the Plan shall terminate, unless otherwise determined by the Committee. However, all such awards shall not terminate if the awards are, in connection with the Corporate Transaction, assumed by the successor corporation or Parent thereof.

(b) CHANGE IN CONTROL. In the event of a Change in Control (other than a Change in Control which is also a Corporate Transaction), each award which is at the time outstanding under the Plan automatically shall become fully vested and exercisable and, in the case of an award of Restricted Stock or an award of Deferred Stock Units, shall be released from any restrictions on transfer and repurchase or forfeiture rights, immediately prior to the specified effective date of such Change in Control.

(c) RELATED ENTITY DISPOSITION. The Continuous Service of each Grantee (who is primarily engaged in service to a Related Entity at the time it is involved in a Related Entity Disposition) shall terminate effective upon the consummation of such Related Entity Disposition, and each outstanding award of such Grantee under the Plan shall become fully vested and exercisable and, in the case of an award of Restricted Stock or an award of Deferred Stock Units, shall be released from any restrictions on transfer (except with regard to the Insider Trading Policy and such other agreements between the Grantee and the Company). Unless otherwise determined by the Committee, the Continuous Service of a Grantee shall not be deemed to terminate (and each outstanding award of such Grantee under the Plan shall not become fully vested and exercisable and, in the case of an award of Restricted Stock or an award of Deferred Stock Units, shall not be released from any restrictions on transfer) if (i) a Related Entity Disposition involves the spin-off of a Related Entity, for so long as such Grantee continues to remain in the service of such entity that constituted the Related Entity immediately prior to the consummation of such Related Entity Disposition ("SpinCo") in any capacity of officer, employee, director or consultant or (ii) an outstanding award is assumed by the surviving corporation (whether SpinCo or otherwise) or its parent entity in connection with a Related Entity Disposition.

(d) SUBSTITUTE AWARDS. The Committee may grant awards under the Plan in substitution of stock-based incentive awards held by employees, consultants or directors of another entity who become employees, consultants or directors of the Company or any Subsidiary by reason of a merger or consolidation of such entity with the Company or any Subsidiary, or the acquisition by the Company or a Subsidiary of property or equity of such entity, upon such terms and conditions as the Committee may determine, and such awards shall not count against the share limitation set forth in Section 5 of the Plan.

14. Non-Employee Director Restricted Stock.

The provisions of this Section 14 shall apply only to certain grants of Restricted Stock to Non-Employee Directors, as provided below. Except as set forth in this Section 14, the other provisions of the Plan shall apply to grants of Restricted Stock to Non-Employee Directors to the extent not inconsistent with this Section. For purposes of interpreting Section 6 of the Plan and this Section 14, a Non-Employee Director's service as a member of the Board or the board of directors of any Subsidiary shall be deemed to be employment with the Company.

(a) GENERAL. Non-Employee Directors shall receive Restricted Stock in accordance with this Section 14. Restricted Stock granted pursuant to this Section 14 shall be subject to the terms of such section

and shall not be subject to discretionary acceleration of vesting by the Committee. Unless determined otherwise by the Committee, Non-Employee Directors shall not receive separate and additional grants hereunder for being a Non-Employee Director of (i) the Company and a Subsidiary or (ii) more than one Subsidiary.

(b) INITIAL GRANTS OF RESTRICTED STOCK. A Non-Employee Director who first becomes a Non-Employee Director shall receive a pro-rata amount (based on projected quarters of service to the following Non-Employee Director Grant Date) of a Non-Employee Director Annual Grant on his date of appointment as a Non-Employee Director. Also, a Non-Employee Director who first becomes a member of one or more committees of the Board shall receive a pro-rata amount (based on projected quarters of service to the following Non-Employee Director Grant Date) of a Non-Employee Director Annual Grant on his date of appointment to a committee (without duplication).

(c) ANNUAL GRANTS OF RESTRICTED STOCK. On each Non-Employee Director Grant Date, each Non-Employee Director shall receive a Non-Employee Director Annual Grant. Also on each Non-Employee Director Grant Date, each Non-Employee Director who serves as a member of one or more committees of the Board as of such date shall receive an additional Non-Employee Director Annual Grant (without duplication).

(d) VESTING OF RESTRICTED STOCK. Restricted Stock granted under this Section 14 shall be fully vested on the date of grant.

15. Period During which Awards May Be Granted.

Awards may be granted pursuant to the Plan from time to time within a period of ten (10) years from September 21, 2005, the date the Board initially adopted the Plan. No awards shall be effective prior to the approval of the Plan by a majority of the Company's stockholders.

16. Transferability of Awards.

(a) Incentive Stock Options and Stock Appreciation Rights may not be sold, pledged, assigned, hypothecated, transferred or disposed of in any manner other than by the laws of descent and distribution and may be exercised, during the lifetime of the Grantee, only by the Grantee or his or her guardian or legal representative.

(b) Nonqualified Stock Options shall be transferable in the manner and to the extent acceptable to the Committee, as evidenced by a writing signed by the Company and the Grantee. Nonqualified Stock Options (together with any Stock Appreciation Rights or Limited Rights related thereto) shall be transferable by a Grantee as a gift to the Grantee's "family members" (as defined in Form S-8) under such terms and conditions as may be established by the Committee; provided that the Grantee receives no consideration for the transfer. Notwithstanding the transfer by a Grantee of a Nonqualified Stock Option, the transferred Nonqualified Stock Option shall continue to be subject to the same terms and conditions as were applicable to the Nonqualified Stock Option immediately before the transfer (including, without limitation, the Insider Trading Policy) and the Grantee will continue to remain subject to the withholding tax requirements set forth in Section 17 hereof.

(c) The terms of any award granted under the Plan, including the transferability of any such award, shall be binding upon the executors, administrators, heirs and successors of the Grantee.

(d) Restricted Stock shall remain subject to the Insider Trading Policy after the expiration of the Restricted Period. Deferred Stock Units shall remain subject to the Insider Trading Policy after payment thereof.

17. Agreement by Grantee regarding Withholding Taxes.

If the Committee shall so require, as a condition of exercise of an Option, Stock Appreciation Right or Limited Right, the expiration of a Restricted Period or payment of a Deferred Stock Unit (each, a "Tax Event"),

each Grantee shall agree that no later than the date of the Tax Event, the Grantee will pay to the Company or make arrangements satisfactory to the Committee regarding payment of any federal, state or local taxes of any kind required by law to be withheld upon the Tax Event. Unless determined otherwise by the Committee, a Grantee shall permit, to the extent permitted or required by law, the Company to withhold federal, state and local taxes of any kind required by law to be withheld upon the Tax Event from any payment of any kind due to the Grantee. Unless otherwise determined by the Committee, any such above-described withholding obligation may, in the discretion of the Company, be satisfied by the withholding by the Company or delivery to the Company of Class B Common Stock or Common Stock, as applicable.

18. Rights as a Stockholder.

Except as provided in Section 11(d) of the Plan, a Grantee or a transferee of an award shall have no rights as a stockholder with respect to any shares covered by the award until the date of the issuance of such shares to him or her. No adjustment shall be made for dividends (ordinary or extraordinary, whether in cash, securities or other property) or distribution of other rights for which the record date is prior to the date such shares are issued, except as provided in Section 12(a) of the Plan.

19. No Rights to Employment; Forfeiture of Gains.

Nothing in the Plan or in any award granted or Agreement entered into pursuant hereto shall confer upon any Grantee the right to continue as a director of, in the employ of, or in a consultant relationship with, the Company or any Subsidiary or to be entitled to any remuneration or benefits not set forth in the Plan or such Agreement or to interfere with or limit in any way the right of the Company or any such Subsidiary to terminate such Grantee's employment or consulting relationship. Awards granted under the Plan shall not be affected by any change in duties or position of a Grantee as long as such Grantee continues to be employed by, or in a consultant relationship with, or a director of the Company or any Subsidiary. The Agreement for any award under the Plan may require the Grantee to pay to the Company any financial gain realized from the prior exercise, vesting or payment of the award in the event that the Grantee engages in conduct that violates any non-compete, non-solicitation or non-disclosure obligation of the Grantee under any agreement with the Company or any Subsidiary, including, without limitation, any such obligations provided in the Agreement.

20. Beneficiary.

A Grantee may file with the Committee a written designation of a beneficiary on such form as may be prescribed by the Committee and may, from time to time, amend or revoke such designation. If no designated beneficiary survives the Grantee, the executor or administrator of the Grantee's estate shall be deemed to be the Grantee's beneficiary.

21. Authorized Share Approval; Amendment and Termination of the Plan.

(a) AUTHORIZED SHARE APPROVAL. The Plan initially became effective when adopted by the Board on September 21, 2005 and shall terminate on the tenth anniversary of such date. The Plan was ratified by the Company's stockholders on December 15, 2005, with 2,500,000 shares of Class B Common Stock authorized for awards under the Plan. The Board amended the Plan on September 27, 2006 to, among other things, increase the amount of shares authorized for award under the Plan to 4,000,000 shares of Class B Common Stock. The Company's stockholders ratified such amendment to the Plan on December 14, 2006.

(b) AMENDMENT AND TERMINATION OF THE PLAN. The Board, or the Committee if so delegated by the Board, at any time and from time to time may suspend, terminate, modify or amend the Plan; however, unless otherwise determined by the Board, or the Committee if applicable, an amendment that requires stockholder approval in order for the Plan to continue to comply with any law, regulation or stock exchange requirement shall not be effective unless approved by the requisite vote of stockholders.

Except as provided in Section 12(a) of the Plan, no suspension, termination, modification or amendment of the Plan may adversely affect any award previously granted, unless the written consent of the Grantee is obtained.

22. Governing Law.

The Plan and all determinations made and actions taken pursuant hereto shall be governed by the laws of the State of Delaware.
